Description

This L-BOXX 374 G carries mandatory LQ labelling in accordance with the ADR (European Agreement concerning the International Carriage of Dangerous Goods by Road). According to the ADR, Chapter 3.4, small quantities of dangerous materials may be transported combined in a container, if this is labelled with the symbol "LQ" (Limited Quantity – small quantities of hazardous materials). Please refer to the relevant literature for details about these regulations. The L-BOXX 374 G LQ carries the LQ label (= Limited Quantity) as standard. The label designates the container for transport by road, rail and sea. Direction labels are also stuck to the sides of the L-BOXX, which are also prescribed in accordance with the ADR Directive.

Depending on the hazardous materials used, the L-BOXX should also be equipped with appropriate accessories, such as anti-rattle mats, silicone cartridge inserts or dividers.
