Description

This T-BOXX 120 First Aid Kit contains first aid materials according to DIN13157 "Small first aid kit" and is therefore suitable for use in industry, on building sites or even in schools and nursery schools. Using the integrated ProClick hook, the T-BOXX 120 can be placed at various locations on the van racking system or in the workshop and is always to hand in case of an emergency. And you can always see the contents of the box thanks to its transparent lid. Partially used or missing dressing material can therefore be clearly identified and replaced.
