Description

This Velcro fastener which is 380 mm long can be used in combination with the multi roll holder (Ref. No.1000004633). The Velcro fastener is available in three different lengths so that it is suitable for every requirement for example for securing of painter's fleece. The Velcro fastener extends your loading space with a practical fixture for the fixation of your work materials, providing for organisation in your loading space and guaranteeing quick retrieval of materials. You can save yourself much search time which is good for your nerves.
