Cutting insert s. EPP L-BOXX 136 G4 VPE6

Material no.: 1000011101 | Matchcode: LB SE 136 G4 | EAN code: 4045294732301

Description

Use the rigid foam shaped inserts for the L-BOXX 136 G4 to individually adapt the interior of your L-BOXX to the equipment or tools you are carrying. Its outline is transferred to the cutting plate and then cut out using the knife provided. The insert consists of six 15 mm thick EPP cutting plates, enabling different depths of cut-outs to be cut. Your equipment and tools are now protected from scratches and impact within the recesses created, preventing items from flying around uncontrolled in your L-BOXX 136 G4.
