Divider 173x130 mm for the L-BOXX 238 G

Material no.: 121017249 | Matchcode: LB 238 TB 173X130 | EAN code: 4045294182380

Description

The divider 173x130 mm subdivides the depth of an L-BOXX 238 G.

The divider, used in conjunction with a divider frame and a slot divider 283x130 mm, divides the depth of the L-BOXX 238 G – the slot divider also subdivides the width of the BOXX in this case. To do so, simply insert the plastic adapter supplied into any recesses in the divider frame or slot divider and then insert the divider.

The resulting compartments provide for greater organisation within the L-BOXX and help you towards a structured working day.
