Description

The small component tray is tailor-made for the i-BOXX - 72 and the LS-Drawer 72. It has 12 recesses, in which small components can be properly transported. The small components in the recesses are always ready at hand and properly stowed away in the i-BOXX 72 or the LS-Drawer 72. A quicker overview of the contents and fill level of the i-BOXX or as the case may be LS-Drawer provide for more efficiency in day-to-day work.
