Description

The small component tray is tailor-made for the i-BOXX - 72 and the LS-Drawer 72. It has 7 recesses, in which small components can be properly stowed away and transported. A wide variety of small components in different sizes, or as the case may be, in quantity can be stowed away in the i-BOXX 72 and are ready at hand by means of the diverse recess sizes. A quicker overview of the contents and fill level of the i-BOXX 72 provide for more efficiency in day-to-day work.
