Lid SR-BOXX 03 L

Material no.: 6000011655 | Matchcode: DSRB 03 L | EAN code: 4045294766030

Description

The lid SR-BOXX 03 L closes the SR-BOXX 03-8 L dust-tight, and protects the contents from dirt. The transparent design provides for a constant overview of the contents. On the one hand this minimises the time you spend searching for materials and consumables, at the same time ensuring that you can determine the stock levels of your small components at a glance. You can see at an early stage when you need to re-order, thus avoiding costly downtimes. The flap lid allows prompt access in the SR5 vehicle interior without having to remove the entire SR-BOXX. To access the full contents, e.g. for refilling, the lid can be completely opened.
