Description

The SowaApp ProClick single holder is made of hard-wearing, fibreglass-reinforced plastic and was developed specifically for use with the slots on the aluminium side panel of van racking systems. It engages automatically into the holes on the Sortimo aluminium side panel and can be effortlessly fitted and removed with one hand without the use of tools. This holder can be used as a bracket for all ProClick system bags, ensuring that your tools and equipment can always be properly stored. Each holder has a load capacity of 5 kg, and a maximum of four single holders can be attached to each SowaApp wall.
