Description

An anti-slip mat is a must for professional load securing during transport in our day and age. The universal anti-rattle mat 800 x 1200 x 4.5 mm enables the securing of pallets or other freight in the loading space of your vehicle. It prevents slippage and additionally protects the vehicle floor. Sliding friction quality $\mu > 0,9$. Stowage is provided for with the multi roll holder side wall (Ref. No. 1000004633). Furthermore the anti-rattle mat is cuttable to any size required and can therefore be universally deployed.
