lashing belt ratchet 3.5 m

Material no.: 49717092 | Matchcode: ZVRH | EAN code: 4014599717092

Description

The hooks of the lashing strap are ideal for skewer lashing rails. The hook is equipped with a pre-tensioned spring bolt with which the strap can be fixed in the lashing rail. The ratchet enables a higher clamping force to be achieved as would be possible with the clamp buckle. This means you can secure particularly heavy objects professionally. The strap length is 3.5 m, is 25 mm wide and resilient up to 650 daN. It consists 100 % of Polyester.
