lashing strap clamping lock + lashing hook 2 m, 250 daN

Material no.: 801006371 | Matchcode: ZVKR | EAN code: 4045294103774

Description

This lashing strap is equipped with lashing hooks on both sides, whereby it is ideal for hooking-in on a skewer rail. The clamp buckle allows the strap to be easily tensioned and released again.

The lashing strap is resilient up to 250 daN, has a strap width of 25 mm and a length of 2 metres. When it comes to payload with sharp edges, an edge protection profile should be used to protect the lashing belt and the load.
