Description

The tool clamp made of sturdy, glass fibre reinforced plastic is designed specifically to fit the new slotted holes of the aluminium side panel of the van racking system. They clamp automatically into the punched out holes of the Sortimo aluminium side panel and can be simply mounted or rather demounted with one hand - without any tools. The 5 piece tool clamp set was specifically developed for the dynamic load in a vehicle. As a result your tools and supplies for work are always quickly tidied away. You always have quick access to them at any time - even without having to enter the vehicle. As a result, saving yourself a lot of movement and much valuable time.

The set consists of:

- Tool clamp 19
- Tool clamp 25
- Tool clamp 28
- Tool clamp 32
- Tool clamp 38
